

Mahin Ansar

Creative videographer and video editor skilled in shooting, editing, and producing high-quality visual content. Experienced in using modern cameras, lighting, and editing tools to deliver engaging videos for brands, events, and social media. Passionate about storytelling, smooth workflow, and delivering polished results that connect with audiences.

 Kochi, Ernakulam, Kerala, India

Work Experience

CEO • codeluxa developments

July 2024 ~ Now • 1 year 5 months

As the CEO of Codeluxa Developments, I oversee company operations, manage client projects, and lead strategic planning. I handle business development, team coordination, and ensure that all projects are delivered on time with high quality. I also focus on growing the brand, building partnerships, and driving overall company growth.
